District-wide School Improvement meetings with school improvement team members and central administration March 13, April 4th

Describe the role of the committee in developing this school improvement plan, as well as the intended role of the committee in the implementation and monitoring of the plan.

The committee will meet to analyze needs assessments to implement school improvements through evidence-based strategies.

Members of the school improvement committee will hold weekly work sessions to analyze needs and create the school improvement plan and action plan.

There will be a monitoring committee established that will meet weekly to discuss implementation of the plan and monitor its effectiveness. This will include faculty, class officers, and building administration.

### ***B. School Level Vision for Learning***

#### Long-term Vision and the Measures of Success

<b>Long-Term Vision for Students</b> <i>What will students know and be able to demonstrate upon leaving the school?</i>	<b>Measures of Success</b> <i>How will you know you are on track to achieving your vision or students?</i>
The mission of James M. Coughlin High School, a diverse and progressive school in the Wilkes-Barre Area School District, is to educate, enlighten, and inspire each student to grow as a responsible and productive citizen. This mission is accomplished through a dynamic, comprehensive curriculum and collaboration among school, family and community members.	<p>By 2025, 100% of students will be on-track for post-secondary training or employment.</p> <p>By 2025, 100% of teachers will be proficient or distinguished on yearly evaluations.</p> <p>By 2030, 90% of students will score proficient or advanced on Keystone Exams.</p>

## II. School Level Needs Assessment

### *A. Identified School Community Needs:*

Describe how the LEA and school engaged in timely and meaningful consultation with a broad range of stakeholders (e.g., families, students, educators, community partners) and examined relevant data (e.g., student, educator, and community demographics; student achievement and growth; student and teacher attendance; student behavior; documents; classroom observations; surveys; focus groups; budget/allocation of finances) to understand the most pressing needs of students, educators, and/or other members of the school community and the potential root causes of those needs.

Coughlin High School formed a steering committee in March of 2019 that conducted meetings whose focus was to identify strengths and needs through a wide-range of data, such as; PA Future Ready Index, e-Metrics, PVAAS, SAS, Performance Plus, surveys administered to parents, faculty/staff, and students, discipline referrals, attendance data, and teacher observations and evaluations. Stakeholders were identified and invited to attend meetings to provide valuable input and help assess needs and areas of improvement.

### *B. Based on your data analysis, what are your data-supported strengths?*

Strengths	Supporting Evidence from Needs Assessment
English Language Arts/ Literature	65.2% of all students scored proficient or advanced on the 2018 Keystone Exam. Coughlin High School scored a maximum of 100 Academic Growth Score (PVAAS) for

	all students groups compared to the state average of 74.9
Mathematics	50.8% of students scored proficient or advanced on the 2018 Keystone Exam, surpassing the statewide average by 5.3%.
School climate	90% of parents surveyed felt welcome in our school, based off of 2019 Parent Survey (question 2f) 100% of parents agree their child was not treated badly due to religious beliefs or language barrier (Parent Survey 3d, 3g) 87% of students surveyed believe they are treated with respect by their teachers based off of a 2019 Student Survey (question 9d) 91% of students feel they are safe and comfortable with teachers at school (Student Survey 9d)

**C. Based on your data analysis, what are your data-supported challenges? (You will need to identify two or three of these challenges that will be prioritized and addressed in this plan.) Check each challenge that will be a priority in your plan.**

Challenges	Supporting Evidence from Needs Assessment	Priority for Planning	Primary Root Cause
Regular attendance	All student groups, including all subgroups, did not meet the statewide performance standard of 85.4%. All groups were 73% with ELL being the lowest subgroup at 59.3% based off of data from PA Future Ready Index	Yes	Student perception towards the importance of attending school, achieving academically, and connecting curriculum to future career plans.
		Choose an item.	

Parental involvement and communication	Over 40% of parents do not believe they are notified of school events. 55% of parents did not receive emails, letters, or other communication about what their child is learning (Parent Survey 5c) 89% of teachers have little to no parent-initiated contact about academic performance based off of a 2019 Educator Survey (question 3c)	Yes	Lack of consistent communication between the school and parents/guardians.
Keystone Exam Academic Growth	All student groups, including subgroups were below the state average for growth on the 2018 Keystone Exam in math Math and Science (except White subgroup in Science).	No	Student attitudes towards test preparation, school attendance and paying attention in class.
Teacher collaboration	65% of teachers have collaborated 2 times or less this school year (Educator Survey question 2d) 60% of teachers stated that there is no formal time set aside for collaboration Educator Survey question 4)	No	Personnel shortage, lack of available substitutes and separated facilities.

***D. Established Priorities and Aligned Outcome Categories***

Based on your prioritized challenges, develop, in specific detail, two to three high-leverage priority statements to focus your improvement plan. In drafting priority statements, your team will turn each prioritized challenge into an actionable statement that explains how the school plans to address the primary root cause of the challenge. Indicate which Outcome Category will be most directly impacted by focusing on the priority statement, by selecting the category that is best aligned to the priority statement from the drop-down menu under “Outcome Category.”

Priority Statements	Rationale	Outcome Category
---------------------	-----------	------------------

<p>1. 1. Implement an evidence-based system of schoolwide positive behavior interventions and supports to increase regular attendance.</p>	<p>If students are given clear expectations and routines they will develop into responsible and productive citizens consistent with our vision for the future</p>	<p>Student Attendance</p>
<p>2. 2. Implement evidence-based strategies to engage families to support learning by improving communication, expectations, and overall involvement in their child's education.</p>	<p>Parental involvement is known to be linked to improved behavior, regular attendance, and positive attitudes. If we increase parent involvement students are more likely to have higher self-esteem, intrinsic motivation, and achieve academic success.</p>	<p>Community Engagement</p>
<p>3.</p>		<p>Choose an item.</p>

### III. Measurable Goal Statements

**Measurable Goals:** Develop SMART Goals for each established Priority. To maintain focus on priorities, no greater than 2 measurable goals per priority is recommended.

**Priority Statement #1:** Implement an evidence-based system of schoolwide positive behavior interventions and supports to increase regular attendance.

Measurable Goals	Quarterly Benchmark #1	Quarterly Benchmark #2	Quarterly Benchmark #3
The percent of regular attendance will meet or exceed the current PA Future Ready Index statewide average of 85.4% by June 30, 2020	Regular student attendance will meet or exceed 76% by the end of the 1st quarter marking period (Student day 45)	Regular student attendance will meet or exceed 79% by the end of the 2nd quarter marking period (Student day 90)	Regular student attendance will meet or exceed 82% by the end of the 3rd quarter marking period (Student day 135)

**Priority Statement #2:** Implement evidence-based strategies to engage families to support learning by improving communication, expectations, and overall involvement in their child's education.

Measurable Goals	Quarterly Benchmark #1	Quarterly Benchmark #2	Quarterly Benchmark #3
50% of all Parents/Guardians will sign-up for a monthly electronic newsletter by June 30, 2020.	12.5% of all Parents/Guardians will sign-up for a monthly electronic newsletter by the end of the 1st quarter marking period.	25% of all Parents/Guardians will sign-up for a monthly electronic newsletter by the end of the 2nd quarter marking period.	37.5% of all Parents/Guardians will sign-up for a monthly electronic newsletter by the end of the 3rd quarter marking period.
80 stakeholders will attend quarterly community outreach/ community informational sessions held at Coughlin High School by June 30, 2020.	20 stakeholders will attend quarterly community outreach/ community informational sessions held at Coughlin High School by	40 stakeholders will attend quarterly community outreach/ community informational sessions held at Coughlin High School by December 30, 2019.	60 stakeholders will attend quarterly community outreach/ community informational sessions held at Coughlin High School by March 30, 2020.

## IV. Action Plans

### A. Evidence-Based Strategies

Once needs have been identified, the school improvement committee (in consultation with other stakeholders) will select evidence-based strategies that align with your priority statements that the school community has the capacity to implement. By using rigorous and relevant evidence and assessing the local capacity to implement the strategy (e.g., funding, staff, staff skills, stakeholder support), schools are more likely to implement interventions successfully.

For each measurable goal, identify an evidence-based strategy that has a high likelihood of success in your school.

**Priority Statement #1:** Implement an evidence-based system of schoolwide positive behavior interventions and supports to increase regular attendance.

Measurable Goals	Evidence-Based Strategy
The percent of regular attendance will meet or exceed the current PA Future Ready Index statewide average of 85.4% by June 30, 2020	Implement a Positive Behavioral Intervention and Supports (PBIS) system with a three tiered approach focusing and rewarding Tier 1 (all students) while identifying Tier 2 (targeted groups) and Tier 3 (individuals).
The percent of regular attendance for English Learners will increase from 59.5% to 72% by June 30, 2020.	Supports (PBIS) system targeting Tier 2 and Tier 3 students using an unobtrusive intervention (postcards sent home about the importance of attendance) based on the Nudge Theory.

**Priority Statement #2: Implement evidence-based strategies to engage families to support learning by improving communication, expectations, and overall involvement in their child’s education.**

Measurable Goals	Evidence-Based Strategy
50% of all Parents/Guardians will sign-up for a monthly electronic newsletter by June 30, 2020.	Sending home a monthly newsletter that includes parental tips, schedules, student achievement, school happenings, guidance information, policies and procedures, and contact information. These strategies have been supported by the Harvard Research Project and lowaparents.org.
80 stakeholders will attend quarterly community outreach/ community informational sessions held at Coughlin High School by June 30, 2020.	Quarterly community outreach/ community informational sessions held at Coughlin High School- Based off of the Sanders, Epstein, and Conneris-Tadros study of 1999 “ Involvement at school is most strongly influenced by school practices that encourage volunteering and participation in school decision making.”

**Priority Statement #3: \_\_\_\_\_**

***B. Action Plan Steps***

An Action Plan template is provided to develop action steps to meet each measurable goal.

Each Action Plan has these critical components for each Priority/Measurable Goal:

- Action Steps – List what is to be accomplished in each step.
- Material/Resources/Supports Needed
- Person/Position Responsible
- Implementation Timeline
- Anticipated Outputs – what do we want to accomplish within each Action Step?
- Monitoring/Evaluation Plan
- If a professional development action step or component of this goal, complete Professional Development Plan information template.

**Expenditures:**

Describe how funding will be used to implement the Action Plans. Include a brief description of each expenditure, funding source (Title 1, General fund, IDEA, etc.), and costs for each needed expenditure.

**Professional Learning Opportunities:**

The following information is to be completed for professional development components for each of the Priority Goals:

- Goal Statement – General Description of Presentation
- Audience,
- Topics to be Included
- Evidence of Learning
- Anticipated Timeframe
- Lead Person/Position

## School Level Action Plans

## V. Communications Plan for School Improvement

The success of a plan is how you communicate it to your staff, community, parents and students. Develop steps to communicate components of your plan to your various levels of stakeholders.

### Communication Steps and Timelines:

Communication Strategies	Audience	Purpose of Message	Anticipated Timeline
Faculty In-Service	School Faculty	Explanation of A-TSI designation and identifying volunteers for School Improvement Team	March 21, 2019
Website Posting	Community Stakeholders	To invite stakeholders to informational meeting	April 12, 2019
SKYLERT Phone Call	Parents/Guardians	To invite parents and guardians to informational meeting	April 17, 2019
Community Information Session	Community Stakeholders	Explanation of A-TSI designation of proposal of preliminary plan/ community feedback and suggestions	April 24, 2019
Posting of Approved School Improvement Plan on School Website	General Public	To allow public viewing of School Improvement Plan	June 30, 2019

## VI. Plan Submission

### Affirmations

The Building Administrator, Superintendent/Chief Executive Officer and President of the School Board will affirm the following statements.

We affirm that our school has developed a School Improvement Plan based upon a thorough review of the essential practices to advance educational programs and processes and improve student achievement.

We affirm that the action plans that we will be implementing address our specific school needs, include strategies that provide educational opportunities and instructional strategies for all students and each of the student groups, increases the amount and quality of learning time, and provides equity in the curriculum which may include programs, activities, and courses necessary to provide a well-rounded education. These plans address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards.

We, the undersigned, hereby certify that the school level plan has been duly reviewed by the Building Administrator, Superintendent of Schools and formally approved by the district's Board of Education, per guidelines required by the Pennsylvania Department of Education.

We hereby affirm and assure the Secretary of Education that the school level plan:

- Addresses all the **required components** prescribed by the Pennsylvania Department of Education
- Meets **ESSA requirements**
- Reflects **evidence-based strategies that meet the three highest levels of evidence outlined in ESSA**
- Has a **high probability of improving student achievement**
- Has sufficient **LEA leadership and support to ensure successful implementation**

With this *Assurance of Quality & Accountability*, we, therefore, request that the Secretary of Education and the Pennsylvania Department of Education grant formal approval to implement the school level plan submitted by (*School Name*) \_\_\_\_\_  
\_\_\_\_\_ for the \_\_\_\_\_ - \_\_\_\_\_ school year.
