Dear Parent/Guardian:

Under the federal Every Student Succeeds Act, states are required to designate schools for support and improvement based on both schoolwide (Comprehensive Support and Improvement) and student group (Additional Targeted Support and Improvement) performance on a range of academic and student success measures.

Solomon-Plains Junior High School is one of roughly 200 schools statewide designated for Additional Targeted Support and Improvement. This designation is based on data suggesting the need to prioritize additional supports for our Economically Disadvantaged students in the following areas: academic proficiency on state assessments, academic growth, English Language Proficiency and attendance. This designation will provide opportunities for our school to partner with stakeholders to identify our school community's most pressing needs, select strategies to support those needs, and work together to implement the selected strategies.

You can inform the improvement process at Solomon-Plains Junior High School in the following ways:

- Participate in Comprehensive Planning Meetings scheduled by the Principal
- Join our Parent Advisory Council
- Review our school's Parent and Family Engagement Policy
- Attend Parent-Teacher Conferences
- Attend PTA/PTO meetings

If you would like more information, please feel free to contact Mr. Anthony Khalife, Solomon-Plains Junior High School Principal, at (570) 826-7111 ext. 3620.

Sincerely,

A handwritten signature in cursive script that reads "Anthony R. Khalife".

Anthony Khalife, Principal
