Brian J. Fischer

Head Teacher

Dear Parent/Guardian:

To help insure the success of your child at school, we have developed a new policy regarding tardiness and excessive lateness to school.

Please note the following guidelines regarding this policy:

- **Students that are late 4 times will receive a notice for a parental conference.**
- **Students that are late 5 times will receive 1 day of after school detention.**
- **Students that are late 6 times will receive a 1 day out of school suspension.**
- **Students that are late 7 or more times must have a parent readmit their child to school. If a parent does not bring the student to school for the readmission, the student will be suspended another day.**

This policy will be in effect during each quarter. Students who bring an excuse verifying a medical or professional appointment will not be affected by this policy. We are concerned with lateness due to sleeping in, missing the bus, etc...

Please understand this policy is written for the purpose of assuring that students are in school on time, and not missing valuable instructional time.

Thank you

Mr. S. Flynn

Principal

Solomon/Plains Jr. High School
