Parent Tips for School Success

Keep plenty of reading materials in your home: books, magazines, newspapers, and comic books. Children enjoy having a variety of reading materials!

After-School Questions

Asking "How was school today?" might not get you far. Instead, ask questions like these for a better picture of your child's day:

- "What's the coolest thing that happened?"
- "Pretend you're the teacher. How would you describe the day?"
- "What made you laugh today?"
- "What was the most creative thing you did?"
- "How were you kind or helpful today? Was anyone kind or helpful to you?"

Parent Resource Center

Please feel free to visit the Title I Parent Resource Center at your child's school located near the main office. You will find many helpful resource materials and up-to-date information on a variety of topics.

*** MATH TIP ***

* Explore everyday math with your child—counting silverware to set the table, following a recipe in the kitchen, telling time when a TV show begins. When kids realize that math is all around, it will become more meaningful for them!
