Parent Tips for School Success

Parents who influence student success let their child know that education is important. This can be done in many ways, like making sure your child is rested for school, has good attendance, and hears positive comments about school.

Achievement Starts with Attendance!

Attendance is a critical factor in every child's school success! Children should attend school every day, except when sick or when there is an emergency. It's impossible to make-up the learning that happens on any school day. Making sure that your child has regular attendance and stays in school all day is one way you can support your child's success in school!

** Elementary In-service—Oct. 31st*

**PARENT CONFERENCES*

Elementary—October 16th, 2018

Jr. High—October 17th, 2018

Secondary—October 18th, 2018

Title I News

Parent/Teacher Conference Week

We are looking forward to sharing information about your child's progress and to learning from you what we can provide to continue to support learning at home. The 2018-19 School Compact, which was developed with input from families, will be shared during conferences. The Compact outlines how the school staff, students, and families work together to support student success. While at school, please come to the Parent Resource Center to get helpful tips for math, reading and how to help your child!
