The superintendent is evaluated on each of the six *Objective Performance Standards*. *Objective Performance Standards* should be included in the superintendent's contract, and are the basis for the overall performance rating made available to the public at the completion of the performance review. Below each *Objective Performance Standard* are several customizable *Key Performance indicators* that may help board members and the Board to assess overall performance in each *Standard*. Boards are encouraged at the beginning of the evaluation cycle to discuss each *Objective Performance Standard* to determine if and what changes should be made to the *Key Performance Indicators* so that they remain representative of the collective expectations of the Board.
