

Reading Street – Sleuth

Selected-Response Questions

Grade 3

Directions for Selected-Response Questions:

Some questions will have two parts and will ask you to select one or more answers in each part.

For the selected-response questions:

- Read Part One of the question and choose the best answer.
- You may look back at the passage to help you answer Part One of the question.
- Fill in the circle next to the answer choice you select.
- Only one of the answers provided in Part One is correct.
- Then, read Part Two of the question and choose the best answer or answers based on your answer to Part One. If Part Two tells you to select two answers, be sure to select two answers.
- You may look back at the passage to help you answer Part Two of the question.
- Fill in the circle or circles next to the answer choice or choices you select.

Answer Key
