

Community Helpers - Art Project - Grades 1-3

Kids can make their own community helpers, using the templates to help draw them.

Materials Needed:

Printouts, crayons, books, and other resources with pictures of community helpers

Directions:

- 1) Discuss community helpers, such as police, fire, librarian, teacher, construction worker. Discuss the special sorts of clothing, hats, and equipment they use.
- 2) Hand each child a man or woman printout.
- 3) Children can draw clothing, hats, hair, and accessories, making their own community helper.

The finished artwork can be hung on a bulletin board or otherwise used to decorate the classroom.
