Greetings Parents/Guardians of the WBASD K-2 Super Students,

WBASD is proud to announce the implementation of our new K-2 reading program called Superkids. In an effort to show you the skills necessary to become a successful reader, we have changed the format of our report card. First and Second Grade report cards will be skill based for ELA. An overall numerical grade will not be given for ELA. Instead, student performance will be described as **ME=Meets Expectations**, **BE= Below Expectations**, or **EE= Exceeds Expectations** in the various ELA skill areas. Students must "Meet Expectations" in Fluency, Comprehension, and Decoding to become a successful reader and pass ELA. Please see the *Achievement Grade Key* on your child's report card for more information. If you have any questions, please contact your school's Literacy Leader listed below.
