## Dan Flood Elementary Holds Parent & Family Engagement Event!

Dan Flood Elementary School held a third grade Stem night on Wednesday, November 2nd, 2022. Students and their parents worked together to create a tower out of copy paper, tape, and scissors. The Tower had to be free standing. District Science Supervisor Mr. Michael Cororan facilitated the activity with the help of Title I Coach/Parent Liaison Ms. Mary Jo Petlock, Mrs. Detwiler, and Mrs. Thomas. The winner of the tallest tower was Liam Finan and 2nd place was Emily Gonzalez.

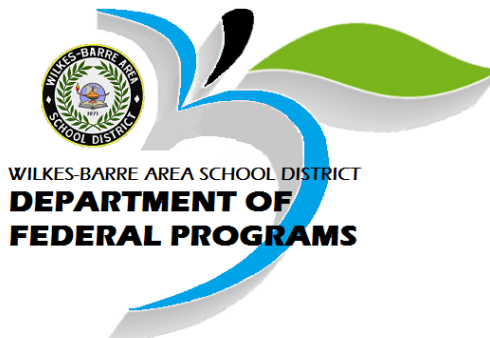

CONGRATULATIONS TO ALL!

## Title I Teachers Host Parent-Teacher Conference Event!

G.A.R. Middle School hosted Parent-Teacher Conferences on October 19, 2022. Title I Parent Liaison Brenda Cavalari along with other Title I Math & Reading teachers were able to meet with parents in person and virtually to discuss student academic learning and ways they can work together to support and improve their child's success.

Parents were able to view the School Compact, Parent & Family Engagement policy, WBASD Federal Programs PowerPoint, Channing Bete brochures on "Parent-Teacher Conference Tips for Success" in English and Spanish, Parent Advisory Forms, and fill out the parent survey.

# Title I Parent & Family Liaisons work with Parents at

## The Wolfpack Community Outreach Day!

On Friday, September 30th from 4:00 to 6:30 at the Wilkes-Barre Area High School High, the district held “The Wilkes-Barre Area Wolfpack Community Outreach Day”. All families were invited to join the event for a free cookout, petting zoo, games, prizes, face painting, live music, and basket raffles all free of charge.

Most importantly, there were over 60 community agencies in attendance to provide information on all of their free services to the public which include information about health services, financial resources, school and community programs, and educational opportunities.

Solomon Middle School Parent Liaison Ed Rosengrant and G.A.R. Middle School Parent Liaison Brenda Cavalari had a great time meeting our families and discussing student achievement and the upcoming After School Tutoring program. Parents and guardians were given Wolfpack slide bags with Title I information such as: School compacts, Parent & Family Engagement Policy, Title I newsletter, Parent Advisory council forms, Channing Bete pamphlets on “parental stress”, and parent tips for websites that focus on how to encourage reading. Parents who attended the session at the Title I table filled out surveys to get feedback on ideas for future events that will get our families involved.
