## Student Assistance Program

### WHO?

Pennsylvania's SAP is a school-wide resource for students and families who are experiencing barriers to learning because of a variety of reasons which may cause concern.

### WHY?

Some reasons why a student may be referred:

- **Withdrawing** from family, friends, and/or school
- Not spending time with old friends; **changing friends**
- Unexplained physical **injuries**
- Talking about **suicide**
- **Defying** authority (home or school)
- Experimenting/possible **addiction** with drugs/alcohol
- Sudden **drop in grades** or **change in behavior**
- Reluctant school attendance; poor attendance
- Depression, Aggression, Lying, Low self-esteem, Destructive decisions, Decreased motivation
- Reaction to recent death/divorce/relationship problem/relocation

### HOW?

If you or a friend is in need, you can **confidentially**:

- reach out to a **team member**
- place referral in a **concern box**
- scan **QR code** to refer on-line
