

LEO E. SOLOMON-PLAINS MEMORIAL ELEMENTARY SCHOOL'S TITLE I PARENT ADVISORY COUNCIL

The Wilkes-Barre Area School District provides opportunities for parents to be partners and decision-makers in various aspects of our Title I programs. We invite all parents to become members of our Title I Parent Advisory Council. Members are encouraged to provide input or simply to participate in discussions about our Title I programs. Members may attend meetings whenever they are able. In addition, starting in May of this year, the WBASD will be applying for the new federal programs grant. We invite parents to participate in the writing of this application. It will be an opportunity for parents/guardians to help redesign the Title I programs and to make suggestions for improvement. We hope you will join us in this worthwhile endeavor to help our students succeed.

Please complete the information below and return this document to your child's teacher.
