

LEO. E. SOLOMON-PLAINS MIDDLE SCHOOL
TITLE I PARENT
ADVISORY COUNCIL

Leo. E. Solomon-Plains Middle School provides opportunities for parents to be partners and decision makers in various aspects of our Title I programs. We invite all parents to become members of our Title I Parent Advisory Council. Members may attend meetings when they are able. Members are encouraged to provide input or simply to participate in discussions about our Title I programs. In addition, starting in May of this year the district will be applying for the new federal grant. We invite parents to participate in the writing of this application. It will be another opportunity for you to help redesign the Title I programs and to make suggestions for improvement. We hope you will join us in this worthwhile endeavor to help our students succeed. (Please return to a Solomon-Plains Middle School Teacher)

I wish to become a member of the Title I Advisory Council. Please contact me via telephone/email regarding upcoming meetings.
