*The Wilkes-Barre Area School District, in the 2023-2024 school year, will operate a Schoolwide Program in all Title I schools. A Title I Schoolwide Program is a comprehensive reform strategy designed to upgrade the entire educational program in a Title I school in order to improve the achievement of the lowest achieving students. One benefit of operating a Schoolwide program is that all students are eligible to participate. We look forward to meeting the Parent/Guardians of our Title I students so that we can work together to help your children succeed in the classroom.*
